Trailer Winches

SINGLE SPEED TRAILER WINCHES

- 900 to 1800 lb. capacity to handle any size boat.
- 1800 lb. winch has two-way ratchet which allow the choice of retrieving rope onto either the top or bottom of the drum for better boat bow hold down.
- Zinc plated to resist corrosion.

TWO SPEED TRAILER WINCH

- The two speed winch can change speeds without changing handles.
- Free wheeling, neutral position for quick line payout without spinning the handle.
- Zinc plated to resist corrosion.
