Steel Tube with Pivoting Foot  
 Kinedyne's Saf-T-Lok bars are designed for economy and ease of  
 operation. These bars are offered in high strength steel tubing.  
 Features include a steel rack, a heavy-duty steel handle and a  
 painted cast aluminum housing. Molded pivoting rubber feet grip  
 firmly to trailer walls, yet won't scuff and will remain pliable even  
 at low temperatures. The handle and trigger release are easy to  
 operate, even with gloved hands.
