### Wire Scratch Brush, Brass, Plastic Handle, 5"

Premium wire scratch brush. Made with brass-coated crimped steel wire making it resistant to rust and corrosion and providing 15-20% longer life. Comfortable 5" long plastic handle makes it easy to use. It features a thin face for tight hard-to-reach spots.

70516-F \$6.06

## Welding Magnets

### Multi-Purpose Magnet

These strong magnets stick to any iron object, leaves hands free. Magnets have 45, 90, and 135 degree angles.

70716-F / Small \$6.06

70717-F / Medium \$9.78

70715-F / Large \$11.58

(CAUTION: MAGNETS ARE NOT FOR OVERHEAD USE.)

## Welding Accessories

### Nozzle Gel

This nozzle gel eliminates erratic operation with a film that will not clog orifices and threads. It is suitable for use on fixtures of semi and automatic welders. It is odorless, non-flammable, non-toxic and silicone free. Forney Nozzle Gel meets all state regulations and will not cause porosity.

37031-F 16 oz. \$11.24

### Wrap-Around "Pipe Template" Little Helper

The perfect guide for welders, fitters and layout men. A tough and flexible template material with 45° angle markings, a protractor, a scale, a constants table of medium gauge 4" wide x 60" long for 1" to 12" pipe. Make those markings and cuts right the first time with the tool that can help you do it.

70815-F \$37.12

### Tip Drill Set

12 tip drills within a pencil style design, with clip to hold in pocket. To clean and true most standard orifices of acetylene welding and cutting tips. Contains even numbered sizes 52 to 74.
