

APC-961 Grease-Free Lube/Film
 A light lubricant that penetrates into tight crevices, provides a dry film, and resists oil, dust, and dirt buildup.

- Short term corrosion protection
- Displaces moisture
- Cleans and lubricates delicate mechanisms

16 oz. Aerosol
961-A
\$6.07

Penetrating Oil
 Loosens rust and corrosion formed by alkali, fruit acids, water, and electrolysis. Release rusted and corroded parts with ease.

Applications: metal, alloys, rubber, and most painted surfaces. Do not use on electrical equipment or machinery while in operation.

16 oz. Aerosol
6030-A
\$6.64

APC-962 H.D. Industrial Lube
 A strong, multipurpose lubricant that doesn't contain harmful solvents or silicone.

- Displaces moisture and unlocks rusted parts
- Non-drying oil that provides extra protection against corrosion
- Reduces wear brought on by corrosion or friction

16 oz. Aerosol
962-A
\$6.64

Wire Rope, Chain and Cable Lube
 A high-grade lubricating oil, fortified with molybdenum disulfide to penetrate inaccessible areas and provide superior lubrication where temperatures and stress will break down ordinary lubricants.

- Dark gray color allows easy visibility
- Will not wash away or rub off

16 oz. Aerosol
7043-A
\$7.12

APC-963 Corrosion Inhibitor
 Stops rust and corrosion in its tracks.

- Provides sacrificial wax-like film that deters corrosion on surfaces that have become exposed due to abrasion
- Penetrates and removes moisture
- For use in manufacturing facilities

16 oz. Aerosol
963-A
\$8.03

Food Grade Silicone Lube
 A low viscosity silicone lubricant that eliminates squeaks, insulates and waterproofs electrical parts.

- Odorless, colorless, non-staining, dry residual film
- Prevents sticking and won't transfer to end parts
- 4% silicone
- Will not interfere with carton sealing, bottle capping, or other food preparation applications

16 oz. Aerosol
8036-A
\$7.26

Tef-Lube™
 Tef-Lube™ is a superior lubricant that combines the advantages of high-grade petroleum oils and solvents with micron-sized Krytox to provide the finest multi-component penetrating lubricant system.

11 oz. Aerosol
937-A
\$10.31

Dry Graphite Lubricant
 Designed for engine or mechanical parts prior to their assembly. Made of natural colloidal graphite and is an ideal lubricant when petroleum products must be avoided.

- Excellent choice for extreme temperature lubrication; between -100°F and 1000°F
- Dry, oil-free coating that won't attract dirt or dust

16 oz. Aerosol
8078-A
\$7.91
