

Wheel Bearing Grease

A premium state-of-the-art lithium complex grease, this multipurpose lubricant has a high dropping point in excess of 500° F, which ensures retention where high temperatures are encountered. An excellent bearing lubricant for car truck trailers, sports vehicles and plant equipment. Particularly recommended for disc brake equipped vehicles. Excellent water resistor and rust inhibitor. NLGI No. 2

Dry Moly Lubricant

This quick drying lubricant leaves a thin film that provides extreme pressure lubrication.

- Performs at temperatures between -100°F & 700°F
- Withstands pressures up to 100,000 psi
- Ideal for assembly and break-in lubrication
- Resists corrosion
- Quick drying
- Bonds to metal surfaces without attracting dirt or dust

16 oz.
Aerosol 6080-A \$9.62

Marine Trailer Wheel Bearing Grease
Special calcium sulfonate complex, water insoluble formula ideal for marine applications. Provides excellent corrosion protection under severe conditions caused by salt water and air. Use on wheel bearings (including disc brake wheel bearings), swivel hinges, pins, winches and anchor chain reels. Rated GC-LB by NLGI. NLGI #2, drop point 550°F.

14 oz.
cartridge. 11402 \$8.51

White Lithium Grease

General-purpose lubricant. Protects against rust and corrosion. Minimizes friction. Reduces wear to equipment. Increases service life. Can be used on door, hood and trunk latches, hinges and compartment springs, seat regulators and tracks, wiper mechanisms, brake parts and distributor cams. Manufactured to meet USDA specifications.

16 oz. Tub 49595 \$7.88
12 oz. Aerosol Can 49596 \$8.52

White Lithium Grease

Includes zinc additive for a clean, white color. Ideal for general home, shop, automotive, agricultural and industrial applications. Contains no silicones and can be used on plastic components. NLGI #2, drop point 393°F.

14 oz.
cartridge. 11354 \$7.26

Crown All-4

- Displaces moisture, lubricates & inhibits corrosion.
- Silicone free
- No gummy residue
- Cleans away dirt and grease
- Fills microscopic irregularities on surfaces
- Meets Military Spec. #MIL-C-16173D, Group III
