Crescent®

8-5/16" Side Cutters

- Spring tempered handles with red non-slip cushion handle grips
- Electronically induction hardened, durable and keen side cutting edges
- Made of forged alloy tool steel
- Designed for electrical work
- Polished head

\$25.¹³

50-8CVN

Crescent®

7-1/4" End Cutting Nippers

- Top quality end cutting tool
- Precision manufactured from forged alloy tool steel
- Handles with carefully designed leverage ratio to blades for easier cutting
- Carefully designed throat clearance and rivet size
- Electronically induction hardened, carefully designed, angled cutting edges and blade sizes

\$24.⁰¹

72-7CVN

Crescent®

6-5/8" Long Chain Nose Side Cutters

- Designed for reaching confined areas
- Long chain nose with fine serrated jaws to make wire loops and bends
- Made of forged alloy tool steel and individually tested for strength and cutting ability
- Red non-slip cushion handle grips
- Polished head

\$19.⁹⁶

Cee Tee Co.® Combination Slip Pliers

- Forged from carbon steel and accurately machined, hardened and tempered
- Curved jaws combination with machined gripping teeth and wire cutter
- Knurled handles
- Bright, plated finish

Crescent®

7" Heavy-Duty Diagonal Cutters

- Designed for heavy-duty wire cutting
- Electronically induction hardened and hand-honed, long-lasting cutting edges
- Made of forged alloy tool steel and individually tested for strength and cutting ability
- Red non-slip cushion handle grips
- Polished head
