

### Proof Coil Chain

- Uses: Excellent general-purpose chain of standard commercial quality
- Frequently used for fabricating tow chains, binding or tie down chains and logging chains
- Standard Finish: Self Colored (S.C.) or Galvanized (GALV)
- Hallmarking: "C3" or "M3" and date code. 1/4 smaller may alternatively have a "P" on every link
- Standard Material: Low carbon steel
- Proof tested
- Do Not Use For Overhead Lifting

### Inco, Double Loop Chain

- Uses: Playground and gymnasium equipment, farm and animal chains, and many general-purpose applications
- Standard Material: Low carbon steel
- Standard Finish: Blu-Krome (B.K.)
- Note: The Playground Equipment Association has adopted 1/0 Inco coil chain as a minimum size chain for swing sets. Avoid twisting in suspension applications.
- Do Not Use For Overhead Lifting
